

**LAKEPOINT CHIROPRACTIC, LLC  
PAYMENT POLICIES**

Welcome to our office! We are happy for the opportunity to receive you as a new patient. Please feel free to ask any questions about your total health care at any time. And if you have any suggestions or encounter any problems with your visits, please let us know.

**PAYMENT POLICY:** Our payment policy is CASH, CHECK, and VISA OR MASTERCARD, paid at the time of each visit. You are expected to pay for your visit in full at the time the services are rendered. On your first visit, depending on your condition and if x-rays are needed, as determined by the Doctor, your charges today could range from \$135.00 to \$350.00.

If your problems are the result of an Auto Accident, please inform the front desk assistant. Due to new laws regarding auto insurance you may not have coverage for payment of medical services. In this case payment will be expected at the time of each visit. If you have Med-Pay coverage you will need to bring your insurance information including claim number and claims mailing address and adjusters name and telephone number. Upon verification of Med-Pay coverage we may be able to bill your auto carrier directly.

We do not process Medicare and any supplemental Medicare insurance plans. If your injury is a work related injury we do not process any Workmen's Compensation billing.

**24 HOURS NOTICE IS REQUIRED FOR CANCELLATION OF CHIROPRACTIC APPOINTMENTS. YOU MAY BE CHARGED FOR THE APPOINTMENT IF YOU DO NOT SHOW UP OR CANCEL WITHOUT SUFFICIENT NOTICE.**

The Patient/Guardian has read and understood the payment agreement: payment is expected at the time of each office visit unless Auto Insurance covers your case. If for any reason your insurance company refuses payment you will be responsible for any unpaid balance.
